Subject: RE: Opportunity to Attend EO Signing at White House April 6

Thanks for the thought but probably not as I need to take care of a few things here on Friday.

I understand that the Secretary of the Air Force will be at Pease on Thursday and meeting in the afternoon regarding contamination issues with Senator Shaheen. I assume that you are aware.

Will you be attending the PFAS summit in May? The plan at the moment is for Governor Sununu and myself to attend.

Commissioner -

The President is signing an EO on April 6 with stakeholders to apply deadlines to SIPS, reconstruction permits, relying on monitoring, revisiting FIPs from regional haze and others etc.

EPA is inviting stakeholders. Would you be interested in coming? It's April 6 at the White House. Likely 1:45pm.
